

EXPRESS YOUR INTEREST

ACTIVITIES FOR YOUTH WITH DISABILITY

Are you between 16-18 years of age and looking to increase your life skills and social circle after leaving school?

We are inviting expressions of interest for a skills and social based program for young people with disability in the Southern Highlands.

Our program will be specially tailored for each participant and will include activities such as cooking, self care, resume creating, job readiness or managing a budget.

You will be supported in a fun, positive environment with the opportunity to learn new skills while making friends.

Services are available on a fee for service basis or with eligible NDIS funding.

Contact us today to register your interest and find out more.
